Chatbot Conversation Transcript

You: What do you know about Tess's weekend?

Bot: Tess went to the Lake District in the North West of England and went camping with two small tents. The weather was mostly sunny, but it rained one day. She enjoys mountain biking and riding up hills, though she prefers riding down them. She's planning to go again next year.

You: What do you know about Ravi?

Bot: Ravi is one of the presenters of the Learn English Elementary podcast, alongside Tess. He works in the studio with her and the producer, Gordon. He doesn't seem to enjoy outdoor activities as much as Tess and prefers beach holidays. He also admits to never having met anyone famous, except for Tess.

You: Why does Yasmin like Shakira?

Bot: Yasmin likes Shakira for several reasons:

*   She thinks Shakira is a fantastic singer and fell in love with her voice.
*   She admires Shakira's songwriting skills, especially since Shakira writes her own songs and wrote her first song at a young age. Yasmin also writes songs and can relate to the difficulty.
*   She admires Shakira's ability to learn English and write new songs in English, instead of just translating her old songs.
*   She appreciates Shakira's mixture of cultures (Colombian and Lebanese) which influences her music.
*   She likes that Shakira seems like a nice person, mentioning her dogs, gardening, and that she doesn't drink or smoke.

You: How many words does Poppy guess correctly on Hot Seat? Choose the correct number.

Bot: According to the transcript, Poppy guessed eight words correctly in the Hot Seat game.

You: What does Rachel say about the tango?

Bot: Rachel says the following about the tango:

*   The tango is a dance that Argentina gave to the world, but its exact origins are unknown.

*   It began around the start of the 20th century when Buenos Aires' population grew with immigrants from Africa and Europe.

*   For her, the dance shows both the sadness of these people who had said goodbye to their homes and also the hope of a new start in Argentina.

*   An Argentinian friend told her that you have to learn the tango if you want to understand Argentina.

*   She fell in love with the tango and has now fallen in love with Buenos Aires.

You: How many people on You Turn prefer to listen to songs in English? Choose the correct number.

Bot: Based on the "Your Turn" segment, 3 people specifically state that they prefer to listen to songs in English. One person prefers songs in Japanese. One person likes songs in Spanish best. And the last person says they like some songs in English and some songs in Greek, and it depends on the music.

You: What do you know about Carolina's bag?

Bot: Carolina's bag is a black suitcase, quite big, with a black handle. It has a label with her name on it and a little white star on the top next to the handle. Unfortunately, it didn't arrive on the carousel at the airport, and she had to fill in a lost luggage report.

You: What do you know about Sherlock Holmes and Doctor Watson?

Bot: Sherlock Holmes and Dr. Watson are characters in a joke told by Gordon. In the joke, they are

on a camping trip. Holmes asks Watson what important question they should ask while looking at the stars. Watson gives a philosophical answer about the possibility of life on other planets. Holmes then reveals the joke by saying the important question is, "Where is our tent?"

You: What does Sherlock Holmes think when he sees the stars? Choose the correct answer.

Bot: Sherlock Holmes doesn't think about astronomy or the possibility of life on other planets when he sees the stars in the joke. He is concerned about the practical matter of finding their tent.
